

Welcome to the Canton Seventh-Day Adventist Church. We pray blessing upon you, and pray that you will be blessed during your time of worship here.

SPECIAL MESSAGE

**During a speech at Texas Tech's University Center Theatre in 1977, John Wooden shared his insightful perspective with the audience. His words struck a chord with those present, as he stated, "When you fail to prepare, you're preparing to fail." Wooden was a basketball player and coach of great distinction, having been a three-time all-America player during college, having coached UCLA to ten national championships, and having held an 88-game winning streak at one point. He is the only individual who has been inducted into the Basketball Hall of Fame as both a player and coach.*

Wooden wrote several books that focused on preparing for success in the game, as he recognized the importance of winning. In our spiritual lives, we may not always feel enthusiastic about how God is working, which can lead to a lack of preparation. However, the Bible reminds us in Luke 12:35-38 to "Be dressed in readiness, and keep your lamps lit." A prepared soldier is always equipped with the skills and weapons to win the battle.

*Let us keep in mind this biblical truth: God does the planning, and we do the preparing. **
